BE A WINNER

- The winner is always a part of the answer; the loser is always a part of the problem.
- The winner always has a program; the loser always has an excuse.
- The winner says "Let me do it for you;" the loser says, "That is not my job."
- The winner sees an answer for every problem; the loser sees a problem in every answer.
- The winner says, "It may be difficult but it is possible;" the loser says, "It may be possible but is difficult."

So don't build mountains in your mind. Don't try to conquer it all at once. Take a few small steps toward your goal today. Take everything in stride, one step at a time.
